# Connect for Peace

September 20, 2018 @ 4:30-7:30 PM  
City Hall Park (Park Row), NYC

Please join Peacelights founder **Joumana Rizk**, counselor **Jennifer Hadley**, We, The World founder **Rick Ulfik**, composer/DJ **Peter Lobo**, and other like minded people for an uplifting event in honor of the International Day of Peace.

This year we are choosing City Hall Park (Park Row) for our annual street happening, surrounded by US Courthouses where the fate of immigrants is decided daily. Let's bring a moment of peace, light, and connection to City Hall Park and New York City!

We'd like to  
thank our  
co-sponsors:
